Oooh
Got me daydreaming thinking boutrings andâ€¦
Got me daydreaming...
Aaahhh
Got me daydreaming thinking bout rings andâ€¦
Got me daydreaming...

(Verse 1)
Here I go waking up yawning 6 in the morning
With you on my mind
I'm laying in bed scarf still on my head
Barely got the cold out my eyes
Reflecting...bout the conversation we had last night
And I'm reminded of why
I do the things I do just for you ,for you
I don't have to think twice

(Chorus)
I do it cuz he real with me
I do cuz he still with me
I do cuz I should
I do cuz your good for me, good for me
I do it cuz I trust (ya)
I do it cuz I must
And im doin it for us
I do it cuz I am grateful...willing and able
I do it for you cuz you do it for me

(Verse 2)
Got me day dreamin'
Thinking bout things and switchin up my whole life style
I call you on the phone on my way home
Treating you is on my mind
I'll be cutting up greens, picking pinto beans
I know you like rice and gravy
Be at my door before eight you bring the cake
Babe tonight will be fine...

Repeat Chorus

(Bridge)

U make it so easy for me
That I wanna do the same for you
U are simply perfect for me
And I must say this sincerely
Everything I do, I do it for you

Repeat Chorus 2x

Oooh
Got me daydreaming thinking bout rings andâ€¦
Got me daydreaming...
Aaahhh
Got me daydreaming thinking bout rings andâ€¦
Got me daydreaming...

Repeat Chorus
