V1

Â...got me daydreamin thinking bout rings andÂ...got me daydreamin..

Here I go waking up yawning 6 in the mawnin

With you on my mind

IÂ'm laying in bed scarf still on my head

Barely got the cold out my eyes

(reflecting)

Bout the conversation we had last night

And IÂ'm reminded of why

I do the things I do just for you ,for you

I donÂ't have to think twice

HK

I do it cuz he real with me

I do cuz he still with me

I do cuz I should

I do cuz your good for me good for me

I do it cuz I trust ya I do it cuz I must

and im doin it for us

I do it cuz I am grateful willing and able

I do it for you cuz you do it for me

V2

You got me day dreamin

Thinking bout rings and switchin up my whole life style

I call you on the phone on my way home

Treating you is on my mind

IÂ'll be cutting up greens picking pinto beans

I know you like rice and gravy

Be at my door before eight you bring the cake

Babe tonight will be fine

HK

BRIDGE

U make it so easy for me

That I wanna do the same for you

U are simply perfect for me

And I must say this sincerely

Everything I do I do it for you
