[Intro]

Uh uh, Ali and Murphy
Uh uh, School Boy with the College Boy
And ah, and ah...

[Hook: Murphy & Ali]

Ali and Murphy is... bourgeois baby
If it ain't ghetto... it don't move me baby
Got a lake, a pool... and a ja'causezi baby
But it's still McDonald's... and a movie baby
That's so crazy!

[Ali]

Check
I'm at the bar, industry party, caviar
Denim suits, superstar, Cigarello cigars
Spittin' bars to this footer in stilettos
She boughetto, that mean she bourgeois and ghetto
Bourgeois 'cause her shoes alone cost a grand
Ghetto 'cause she cuss too much and talk with her
hands
She say she don't fuck wit rap since Mase got saved
But baby got back like mace got spray
You know the bourgeois type, ass bombastic
Mabelline queen, titties all plastic
Niggaz front with they tank on empty
They ask for e'rythang 'cause the top off her Bentley
I roll the truck slow, the gas; I ease on it
I got a trailer on the back, four-wheeler with D's on it
Got the leather with the G's on it, gangsta gangsta
Gotta get it get it good and...

[Hook: Murphy & Ali]

Ali and Murphy is... bourgeois baby
If it ain't ghetto... it don't move me baby
Got a lake, a pool... and a ja'causezi baby
But it's still McDonald's... and a movie baby
That's so crazy!

[Hook 2: Ali & Murphy]

If you got an expensive weave - That's boughetto!

Spend six hundred on weed - That's boughetto!
Benz while ya sittin' on D's - That's boughetto!
Tell em what's boughetto - Bourgeois and ghetto!

[Murphy Lee]

Yo Murph' is bourgeois - School boy; ghetto
What more can I say? I'm boughetto
Ayo I'm beautif-hetto, that's beutiful and ghetto
I got plenty war stories, plenty hood medals
Did alotta wrong with alotta good fellas
But I got my shit together (Hello!)
I took my hustlin' ways from them scufflin' days
To eight million copies on my resume
I moved right out the hood, 'cause I don't like the hood
I tell all my people to think twice in the hood
The police; man they don't even lie
'cause they got Spud and Boone and 'Trelle up in
Riker's
And I just like what they money can get
A little head e'ry now and then so honey can spit
Chrome tips, a hundred an forty four of them shits
And a big ass crib 'cause...

[Hook: Murphy & Ali]

Ali and Murphy is... bourgeois baby
If it ain't ghetto... it don't move me baby
Got a lake, a pool... and a ja'causezi baby
But it's still McDonald's... and a movie baby

[Ali]

A boughetto pimp loose and I know it 'cause I come to
party late, smellin' like weed, no matter who throw it
I'm in the curl cap, didn't get paid but done a rap
Dem ain't Rolex diamonds - what the fuck you done to
that?!
Throwin' thrash out the Benz on the highway
But the old school still spillin' all in the driveway
And if it stop, never a towtruck pull me home
Fuckin' I keep the socks, had the jewelry on
I'm like a pimp in the 80's, a Reverend Run
Preachin' it to em, gassin' em up like Chev-e-ron
Got the D's the beeps and the televis-ion
And my Sprint (Brrrr...) like a boughetto telethon
But I'm bourgeois forever 'cause I got it to spend it

Ghett-o, put rims on the car that I rented
Trump money, but it's still the motel and Kyjuan
And Slo and Nelly and...

[Hook: Murphy & Ali]

Ali and Murphy is... bourgeois baby
If it ain't ghetto... it don't move me baby
Got a lake, a pool... and a ja'causezi baby
But it's still McDonald's... and a movie baby
That's so crazy!

[Hook 2: Ali & Murphy]

Repeat

[Murphy & Ali]

Ali and Murphy is...
Bourgeois baby... Bourgeois baby...
