I'm so messed up  
I Dont Know,What to do (what to dooo)

Verse1

I'm caught In A Dilemma  
A Bad Situation That I'm Facing  
Not The Likes I've never seen before  
Really Wanna tell the Truth  
But Its Just So Hard To Do  
Everytime,She's Got me Falling In deeper  
I Call Her Up To Break It Up  
Someone I End Up Taking Off  
Her Skirt,Her Blouse,And I Dont Know  
How The Hell i Ended Up At Her House  
We Up And Down sweating,back at it again  
I Gotta stop Messing with my girls Best Friend

She's a trap  
And i know i need to give this girl up  
Cause i feel like im falling in love  
Her Kiss,her Touch  
Its gettin too much to deal with  
I need to call this quits

This girl Is danger,she's danger  
I Know She's Not Good For My Health  
And I'm gon Need Some Help  
I Need To Let Her Go,let Her Go,Let Her Go[[Danger](#)  
Lyrics On ]  
I Need to let her go,let her go,let her go  
This girl Is Danger,She's Danger  
It's A State Of Emergency  
And I'm Trying My Best To Leave  
I Need To Let her go,Let Her Go,Let Her Go  
I Need To Let her Go,Let her Go,Let Her Go

It's Like  
I tell Her now I Still Lose  
She say if i quit  
She'll Tell my girl what we did  
so I Keep it laughs,going back everytime i leave

She Give Me A  
I Know I need to walk away  
But I Just Can't Seem To walk away  
We Up And Down,Sweating Back at it again  
I need To Stop Messing with my girls best friend

I need you to know(ay)  
This Girl is danger  
Need to let her go  
Chorus
