I found myself stuck in the bottle  
nothing to lose  
and there you go with your drinking  
that's your best attribute  
the more shots I take  
the more I don't listen to you  
that's OK I'll say it again in the morning

Why keep puttin myself through this  
I just don't know  
I'm tryna keep this love and relationship afloat  
if I'm holding my breath  
how come I can't let this go

I'm sinkin deeper  
feels like I'm  
drowning drowning  
wanna come up for air  
I'm drowning drowning  
suffocating myself

As long as your here with me  
the harder it is to leave  
I'm drowning  
drowning drowning

Everyday another issue  
trying to resolve  
which equals another problem  
you say I'm the cause of  
now I'm stuck by these four walls  
I can't call home  
well I'm tired of you blaming me

for all your past wrong

Why keep putting myself through this  
I just don't know  
I'm tryna keep this love and relationship afloat  
I'm tryna hold my breath  
can't let go, I

I'm sinkin deeper  
feels like I'm  
drowning drowning  
wanna come up for air  
I'm drowning drowning  
I'm suffocating myself

As long as your here with me  
the harder it is to leave  
I'm drowning  
drowning drowning

Feels like I'm  
drowning drowning  
wanna come up for air  
I'm drowning drowning  
I'm suffocating myself

As long as your here with me  
the harder it is to leave  
I'm drowning  
drowning drowning
