It started
All like the perfect pair
If that so the perfect pair
That we had, was so strong
But now it's
Getting harder for me
To pretend it's not happening
And I can't do this no more

I gave you all of my love
And all I ever did was ever think about us
And boy I refuse to ever give up
Cause I tried to hold on
But it's time I move on
I just gotta let it go

Thought we would always be together
Thought I was gon' be your forever
And boy I never thought we'd ever
Fall out of love
Fall out of love
Thought we would always be together
Thought I was gon' be your forever
And boy I never thought we'd ever
Fall out of love
Fall out of love

I thought
This was the last search for me
And it was gonna be
That one, to settle me down, no no
But I can't
Sit back and just pretend
My heart is into it
Cause love dies
If you do it wrong

I gave you all of my love (I gave you all of my love, boy)
All I ever did was ever think about us (All I ever did was
think about how to make it better)
And boy I refuse to ever give up (I refuse)

Cause I tried to hold on
But it's time I move on
I just gotta let it go (no)

Thought we would always be together
Thought I was gon' be your forever (gon' be yours
forever)
Boy I never thought we'd ever
Fall out of love
Fall out of love
Thought we would always be together (I thought we)
Thought I was gonna be yours forever
And boy I never thought we'd ever (ever)
Fall out of love
Fall out of love

I'm falling out of love (You did me wrong, I can't do this
no more)
I'm falling out of love (Cause I was tired of being hurt,
ohh)
I'm falling out of love (I gave you all of me but it wasn't
good enough)
I'm falling out of love (I've done all I can)

I gave you all of my love (I gave, I gave you)
And all I ever did was ever think about us (All I ever did
was try)
And boy I refuse to ever give up (I refuse to give up)
Cause I tried to hold on
But it's time I move on
I just gotta let it go

Thought we would always be together
Thought I was gon' be your forever
And boy I never thought we'd ever
Fall out of love
Fall out of love
Thought we would always be together
Thought I was gon' be your forever
And boy I never thought we'd ever
Fall out of love
Fall out of love
