Ohhhh ohhhh
Ohhhh ohhhh
Ohhhh ohhhh
Ohhhh ohhh ohh oh

One nights turned into a weird obsession
Kind of like you trapped me under a spell
And whenever your not around me I cant seem to
control myself
Like a strong sensation that im feeling, Im twisted
crazy and deranged
I can't let go, stuck, can't move on this feelings driving
me insane

I can't escape this feeling that's rendered me helpless I
can't think of no one else
Im obsessed with you can't seem to get loose cause I
want you all to myself

I've got this crazy fixation (3x)
I can't get over you, over you

Im locked in your love, hooked by your touch
And now im your prisoner, you feel like a drug,
I can't get enough of the reason I can't figure out, the
way im actin
I can't explain it, whatever you've done to me has left
me tainted
As every moment is consumed im thinking of only you

[Fixation Lyrics On]

I can't escape these feelings it's rendered me helpless
I can't think of no one else
Im obsessed with you can't seem to get loose cause I
want you all to myself

I've got this crazy fixation(3x)
I cant get over you, over you

You've got my mind blown

You've got something I love
I cannot come down
Im overtaken by you

I cant escape this feeling that's rendered me helpless I
cant think of no one else
Im obsessed with you cant seem to get loose cause I
want you all to myself(2x)

I've got this crazy fixation(3x)
I cant get over you, over you
