How could you do this to me?  
Girl you broke my heart

I gave you a promise ring  
Thought we was goin steady  
Cause I found what represented love  
& to show you a symbol of what u meant to me  
But I guess for you it didn't mean much

I played the fool for quite a while  
[You had my head in the clouds, I was gone]  
But girl you played around with my heart  
[You did me wrong, you did me wrong]

I gave you all of me  
& I never asked for anything in return  
But you hurt me,  
You burned me,  
You broke me down after I gave you my looove  
Looove I gave you all my looove, looove, looove  
I gave you all my looove

I kept tellin myself not to fall for you [fall for you]  
But something deep inside kept tellin me to do it [to do it]  
Cuz the whole time you pretended to be  
That perfect girl, my type, you knew what I liked  
So that's what you was

I played the fool for quite a while  
[I had my head in the clouds, I was gone]  
But girl you played around with my heart  
[You did me wrong, you did me wrong]

I gave you all of me  
& I never asked for anything in return  
But you hurt me,  
You burned me,  
You broke me down  
After I gave you my looove,  
Looove I gave you all my looove, looove, looove  
I gave you all my looove

I gave you my, yup I gave you my, girl I gave you my  
looove,  
I gave you my, yup I gave you my, girl I gave you my  
looove

I gave you my mind  
I gave you my time  
I gave you my heart  
I gave it all to you

I gave you my life  
I gave you my soul  
I gave it all to you [to youuuuuuuuuuuuuuu]

I gave you all of me  
& I never asked for anything in return  
But you hurt me,  
You burned me,  
You broke me down  
After I gave you my looove  
Looove I gave you all my looove, looove, looove  
I gave you all my looove

I gave you all of me  
& I never asked for anything in return  
But you hurt me,  
You burned me,  
You broke me down  
After I gave you my looove  
Looove, looove, looove, looove, looove, looove, looove.
