That's the sound that I wanna hear,
I'mma about to drink you up
Put you on a step, girl, I'mma about to eat you up!
When you come up in this room, girl, you know what it
is
I ain't gonna stop tonight, girl I'm gonna get
you like this
Oh, you're like, baby, come put that beyond me!
And you're trying to love me, oh!
That's the slow I go and however you want it
You're screaming out, and do like I do,
That's why you keep calling me

Chorus:

As I go down, girl I'm gonna take you down
You gonna like when I go down
I got that shit, you can turn d-d-d-down
As I go down, girl I'm gonna take you down
You gonna like when I go down
I got that shit, you can turn d-d-d-down, d-d-d-down

You're scratching on my back, I'm pulling on
your hair
The clothes all on the floor, and sex all in the air
No, I got a! when you told me you don't sweat
I've got to put that dog on that cat girl,
and have you running back
Baby, come put that beyond me
And you're trying to love me..
That's the slow I go and however you want it
You're screaming out!
They can do like I do, that's why you keep calling
me

Chorus:

As I go down, girl I'm gonna take you down
You gonna like when I go down
I got that shit, you can turn d-d-d-down
As I go down, girl I'm gonna take you down
You gonna like when I go down
I got that shit, you can turn d-d-d-down, d-d-d-down

See, we started out sex right here
Uh, uh, uh baby, you ain't gotta go, you can stay
right here!
Uh, uh, uh and then in this bedroom lift me me up
Oh, oh, yeah and chain where you're laying
While the nigga is playing I'm gonna turn you up!
I'll show you things you ain't ever seen
You ain't gonna wanna leave
You know where this gonna lead

Chorus:

As I go down, girl I'm gonna take you down
You gonna like when I go down
I got that shit, you can turn d-d-d-down
As I go down, girl I'm gonna take you down
You gonna like when I go down
I got that shit, you can turn d-d-d-down, d-d-d-down
