I've dealt with so much discrimination (in my life)
I've made it out alot of situations (in my life)
Been through many trials and tribulations (in my life)
But it never broke my determination

I'mma keep standing up (I'mma keep standing up)
And i'm never giving up (and i'm never giving up)
Surviving is in my blood
No matter the obstacles that come my way
No matter the problem
I'm ready to face it

(Chorus)
Cause it don't matter
What the haters say
Just ? who you are
Cause it don't matter
If you let it tear you apart
At first when you try and you fall
Just pick yourself up and brush it off
I said it don't matter
eeheeh, eeheh!

They tried to destroy my reputation (in this fight)
I had to hold back all my frustrations (in this fight)
I was so close to retaliation (in this fight)
My heart know there's no limitation

I'mma keep standing up (ohh I keep standing up)
And i'm never giving up (ohh i'm never giving up)
Surviving is in my blood (ohhoh)
No matter the obstacles that come my way
No matter the problem
I'm ready to face it

(Chorus)

Now sing it with me
Wooah, wooah
Now put your hands in the air like eeh
Wooah, wooah
And if you're feeling how i feel just say

Wooah, wooah
Now put your hands in the air and wave
Wooah, wooah
Cause if you feeling how i feel just say

(Chorus)
