Walking on air
I feel I can
Achieve the impossible
You affected me, forever changed
Now my life will never be the same
Cuz your touch's so supernatural

What I feel, I can't explain
The blessing that came with you
What I feel, it seems unreal
Like a fairytale, yeahh

(Chorus)
Your love can not be defined
So the only thing that comes to mind
It's amazing (it's amazing, amazing)
So amazing (so amazing, amazing)
When all that I had in me had died
You came and you brought it back to life
You're amazing (you're amazing, amazing)
So amazing (so amazing, amazing)

Living with no fear, you're so perfect

The 8th wonder of the world, yeah yeahh
The emotions that go are lost
I found them and I locked my heart
I never thought I would ever love again

What I feel, it's us against the world
I'm so glad i'm your girl, noo
What I feel, ive never felt before
But this time i'm suure

(Chorus)

It's just begun and it's deeper than any love affair
That I have ever experienced, it's different from the
rest, oh noo
Cuz boy you're flawless like a diamond
Cuz no words can describe how you make me feel
All I really know is

(Chorus)x2
