[Intro:]

O oh oh oh
O oh oh oh
O oh oh oh o o

[Verse 1:]

I thought I was ready to be involved.
I shoulda said something long ago.
But it was easier said than done.
I didn't think it would get this far, I was trying to break it
off...
But everytime you said you love me it got harder.

[Pre-Chorus:]

I really wanna love you girl, you know that it's true
indeed, I come to a conclusion on what it may be

[Chorus:]

It's not you it's me
That's why we fight constantly
I'd be lieing to myself
Cause I thought I knew me well.
It's not you it's me

Always giving me so much and it's just never good
enough
It's not you it's me

O oh oh oh
O oh oh oh (it's not you it's me)
O oh oh oh o (it's not you it's me)

[Verse 2:]

I kept trying to draw your hands, and every arguement
when I would tell you
I don't care if you leave, I hope you pack your bags, I
purposely kept putting you down
Hoping that you would walk out, and seeing you cry
and I apologize that I can't drag this out no more

[Pre-Chorus:]

I really wanna love you girl, you know that it's true

indeed, I come to a conclusion on what it may be

[Chorus:]

It's not you it's me
That's why we fight constantly
And I'd be lieing to myself
Cause I thought I knew me well.
It's not you it's me
You can yearn to on my knees
Always giving me so much and it's just never good
enough
It's not you it's me

[Bridge:]

Baby I took you to hell and back with all of my
episodes, issues and evey flaw, still you stuck by me,
I realise that I was wrong, how I kept leading you on, if
it means anything.
It's not you it's me...

[Chorus:]

It's not you it's me
That's why we fight constantly
And I'd be lieing to myself
Cause I thought I knew me well.
It's not you it's me
You can yearn to on my knees
Always giving me so much and it's just never good
enough
It's not you it's me

[Outro:]

O oh oh oh
O oh oh oh (it's not you it's me)
O oh oh oh o (it's not you it's me)
