I believed you
And that was all
I was your ride or die
Your bottom, for rich or poor
I was your backbone
Yeah, in the crash
I gave up all of me,
And made it about us..
But you never, took the time for me
Never, but youâ€™™ Il never find better
I donâ€™™ t want you she can have you now
Ah, ah, auhw
But she can never be me
Would you tell her,
What you tell me?
And the same lips you kissed me with
Is the same lips you use to kiss that bitch
So lâ€™™ mma let you go and be free
With her is where you wanna be
Cause the same lips that you kissed me with
Is the same lips you use to kiss that bitch
So stop saying you love me,
Love me, love me, love me
So stop saying you love me,
Love me, love me, love me
You eat off her plates
You eat her food
And then you come to my house
Using my forks and spoons
And then you touch her
With the same hand youâ€™™ re touching me
You share your bed with her
Now youâ€™™ re laying on my sheets
But you never, took the time for me
Never, but youâ€™™ Il never find better
I donâ€™™ t want you she can have you now
Ah, ah, auhw
But she can never be me
Would you tell her,
What you tell me?
And the same lips you kissed me with
Is the same lips you use to kiss that bitch

So I'mma let you go and be free
With her is where you wanna be
Cause the same lips that you kissed me with
Is the same lips you use to kiss that bitch
So stop saying you love me,
Love me, love me, love me
So stop saying you love me,
Love me, love me, love me
So stop saying you love me,
Love me, love me, love me
So stop saying you love me,
Love me, love me, love me
So stop saying you love me,
Love me, love me, love me
But she can never be me
Would you tell her,
What you tell me?
And the same lips you kissed me with
Is the same lips you use to kiss that bitch
So I'mma let you go and be free
With her is where you wanna be
Cause the same lips that you kissed me with
Is the same lips you use to kiss that bitch
So stop saying you love me,
Love me, love me, love me
So stop saying you love me,
Love me, love me, love me
So stop saying you love me,
Love me, love me, love me
So stop saying you love me,
Love me, love me, love me
So stop saying you love me,
Love me, love me, love me
So stop saying you love me.
