Baby, I should've waited  
Till I was old or retired  
And the way I treat you  
Girl, I hate it  
'Cause the truth is I'm a liar

I didn't mean, I didn't mean to break your heart, girl  
But I just wasn't ready yet  
And I didn't mean, didn't mean to break your heart, girl  
It's something that I regret

It's my fault you feel it ain't worth it  
Like I made you believe this is perfect  
And I let it go on for simply too long  
And my love, that you don't deserve this

Baby, I'm sorry, sorry, sorry  
Baby, I'm sorry, sorry, sorry

And I know it's probably late now  
And my words don't have a meaning  
Would you please just put your past down  
And just reconsidering leaving

I didn't mean, I didn't mean to break your heart, girl  
But I just wasn't ready yet  
And I didn't mean, didn't mean to break your heart, girl  
It's something that I regret

It's my fault you feel it ain't worth it  
Like I made you believe this is perfect  
And I let it go on for simply too long  
And my love, that you don't deserve this

I know I really broke your heart when I told you lies  
Broke promises and made you cry  
If you can forgive me, I promise I will do better  
Hurt you again never

It's my fault you feel it ain't worth it  
Like I made you believe this is perfect

And I let it go on for simply too long  
And my love, that you don't deserve this

Baby, I'm sorry, sorry, sorry  
Baby, I'm sorry, sorry, sorry
