Tryna be that perfect woman

Wanted to make it happen

You aint been acting right now its time to shake it back

Sick and tired of you telling me

but Now i realize - i - i - ize

ive had enough of you and now its Bye - i - i - i - i - i - i - i

[Pre-Chorus]

dont say no more

ive had enough

rite out the door

where you can find your stuff

cuz we are done

was this is the end

don't wanna talk about it

calling it quits

[Chorus]

you get get no apologies

it don't mean nothing

you get get no apologies

it don't mean nothing

you get get no apologies

you get get no apologies

it don't mean nothing, na, nothing

[Verse 2]

now you gon keep on tryna play me just like a fool

you know you always tryna come up with an excuse

you still tryna deny

like i don't got proof

let me ask you a question

do i look stupid to you?
