I Was Going through my call log the other day and all saw was your name..

T was thinking what i'm thinking, this girl has got me feeling some kinda way.

Cause baby i, never thought i would be the one thats cuddled up(not me, no never)

But now i see you differently, like maybe this could be love(ooohh)

(Chorus)

Giving me cute names, yeah like that (ay), If The call drop im callin right back, showing p.d.a in everyway (aaayy) I Never pictured me doing this saying Hey Girl I wanna give you a round of applause, you deserve a standing ovation, cause you got me falling in love with all the things you do baby, Hey girl i wanna give you a round of applause you deserve a standing ovation, cause you got me falling in love and i'm your biggest fan baby

Can't believe how, you got me open, like its 25 hours in a day, is it voodoo that you use, that got me tongue tied with no words to say, cause lately we been spending time and baby i don't care..

I'm into this, whatever this is and i'm not tryna share (nooo)

(Chorus)

Giving me cute names, yeah like that (ay), If The call drop im callin right back, showing p.d.a in everyway (aaayy) I Never pictured me doing this saying Hey Girl I wanna give you a round of applause, you deserve a standing ovation, cause you got me falling in love with all the things you do baby, Hey girl i wanna give you a round of applause you deserve a standing ovation, cause you got me falling in love and i'm your biggest fan baby

I Never thought this could be what it's become, forever young or not, it's turned into love, and i can't go on without you

So here we are, on the brink of being more than just a thing, (?) girl, then fall in love, it's the story of us...

(Chorus) Hey Girl I wanna give you a round of applause, you deserve a standing ovation, cause you got me falling in love with all the things you do baby, Hey girl i wanna give you a round of applause you deserve a standing ovation, cause you got me falling in love and i'm your biggest fan baby
