[Verse 1:]

Back where we started,
Like we're goin uhh - round
In a circle,
And I can't aspect every arguement,
Cause when you're mad it's inevitable,

[Hook:]

It's getting old,
So predictable,
And that don't work for me,

[Chorus:]

My love is gone, gone away,
Feels like I'm trapped in a familiar place,
Love is the same cliche,
Caught up the same cliche,
God I'm so sick of this
Love bein the same cliche,

[Verse 2:]

When I don't,
Do the things you want,
You always let me know,
(Bout going thiss)
Well I'm tired of the same tears,
It's time to change the guest and the show
No oh oh OHHHH

[Hook:]

It's getting old,
So predictable,
And that don't work for me,

[Chorus:]

My love is gone, gone away,
Feels like I'm trapped in a familiar place,
Love is the same cliche,
Caught up the same cliche,
God I'm so sick of this
Love bein the same cliche,

Feels like I'm trapped in a familiar place,
Love is the same cliché,
Caught up the same cliché,
God I'm so sick of this
Love bein the same cliché,

[Verse 3:]

It's like, we are stuck in time,
Ooooh I can predict what's gonna happen it's gone,
And then let's tale it all for rewind,
Rewind, (Rewiiiiind)

[Chorus:]

My love is gone, gone away,
Feels like I'm trapped in a familiar place,
Love is the same cliché,
Caught up the same cliché,
God I'm so sick of this
Love bein the same cliché,

Feels like I'm trapped in a familiar place,
Love is the same cliché,
Caught up the same cliché,
God I'm so sick of this
Love bein the same cliché
