(Ooooo Ooooo Noooooaaaahhhh oooooo
hooooooooiiiiiii)

Your instructions they were simple all I had to do was
listen

And talk about it but I was neglectful had an ego now
that your gone

I just sit around thinkin bout us ooh...

I shouldve been there for you baby there's no excuse

There's nothin I can say cause the truth I gotta face

She had been my shawty you cried all but instead I did
you wrong

And I apologize just give me one more try...

[Chorus:]

If you show me how to love you girl promise I will be the
one

Cause I learned how to love,

If you show me how to hold you girl promise I will be the
one

Cause I learned how to love...

Just show me how to love you girl, Just show me how to
love you girl

I was selfish I admit that it had to be my way or no way
at all no...

Now I see my flaws and the reason I lost you werent in
first place

Which was my biggest mistake...

I shouldve been there for you baby there's no excuse

There's nothin I can say cause the truth I gotta face

She had been my shawty you cried all but instead I did
you wrong

And I apologize just give me one more try

[Chorus:]

If you show me how to love you girl promise I would be
the one

Cause I learned how to love,

If you show me how to hold you girl promise I will be the
one

Cause I learned how to love...

If you show me how to love you girl promise I would be
the one
Cause I learned how to love,
If you show me how to hold you girl promise I will be the
one
Cause I learned how to love...

Just show me how to love you girl, just show me how to
love you girl
Just show me how to love you girl, just show me how to
love you
