Ohhh...
Yeah yeah...
Noo...
Ohh ohh...

Going to a 6 bedroom 5 bath crib
All this house with no one to share it with (no)
Ate the last piece of big mama's cake
Sitting watching Martin's rerun's of May
I need a baby boo yeah....

I'm tired of streets been being in and out of strip clubs
(yeah)
Through all this debris to so hard to find a good girl
(ohh)
Take home, and give my last name
Hang up the jersey, retire from the game
I wanna settle down with you.

I'm gonna take my time with...lovin' you.
I'm gonna get this right...this time I know.
Girl, I'm gonna make mistakes
But I promise give my day(???)
I'm gonna take my time with...lovin' you

I'm not perfect I already know this
Don't wanna girl that's been around but she knows what
her worth is. (ohh ohh)
Cause I don't play this game a bit
And I don't need to know who you been with
Baby I'm just trying to build a future (ohh ohh)
I'm done with all the late nights (that)
Turning early mornings goodbyes (and)
I don't want this life no more...
Want you right by my side
Bless me till the day I die
With you girl...I'm gonna take my time

I'm gonna take my time with...lovin' you.
I'm gonna get this right...this time I know.
Girl, I'm gonna make mistakes
But I promise give my day(???)

I'm gonna take my time with...lovin' you

I don't wanna rush in destroying a good thing
Cause baby in my past it'll never be (It'll never be)
You showed me, to take my time and...
To be the best man that I can...

I'm gonna take my time with...lovin' you.
I'm gonna get this right...this time I know.
Girl, I'm gonna make mistakes
But I promise give my day(???)
I'm gonna take my time with...lovin' you
