It's like wild roses have a house, yeah, yeah  
And we can't make love cause all we do is fight yeah  
We are going nowhere fast with our foot on the gas  
Lately our love affairs took a turn to the worst from bad  
No more feeling!

Hook:

I don't know if it's worth fighting for  
Gotta think about it!  
Oh, oh this relationship of me and you and your friends  
is going too crowded  
Oh, oh and I'm sick and tired of falling back and forth,  
shit oh no!  
So love is out, and the question of us is to be  
announced

I feel like I'm feeling low with the hurricane, oh, oh  
We brake up, we make up, but nothing's just yeah!  
We are going nowhere fast with our foot on the gas  
Lately our love affairs took a turn to the worst from bad  
No feeling!

Hook:

I don't know if it's worth fighting for  
Gotta think about it!  
Oh, oh this relationship of me and you and your friends  
is going too crowded  
Oh, oh and I'm sick and tired of falling back and forth,  
shit oh no!  
So love is out, and the question of us is to be  
announced

I remember being in love with you it felt amazing  
(amazing)  
Now the thought of you girl it feels sedated  
With this childish love affair, girl, I'm heading there  
anymore.  
And we can both try to pretend we fixed  
A love we both know ain't meant  
So what's the use of no love, no love  
Girl, I missed the wrong loved!

Hook:

I don't know if it's worth fighting for

Gotta think about it!

Oh, oh this relationship of me and you and your friends  
is going too crowded

Oh, oh and I'm sick and tired of falling back and forth,  
shit oh no!

So love is out, and the question of us is to be  
announced
