You're a winner!
You're a winner!
You're a winner!
I can't believe that I'm falling for you,
But there is something that you do
That makes me want you more and more!
I try to,
I'm still opened like a door,
I don't, I don't have control of this,
I think I'm liking it, liking it,
Cause the feeling is so addictive to me!
Send me a frame with a single kiss,
I can't get over it,
Cause I think I'm dealing with the winner.

Chorus:
You're a winner, for a winner,
I'm focused for you,
Want you to give me more.
I just wanna
Cause you can get, you can get it,
I'll show you things you never seen before,
I think I can have you fall!

Sexy sophisticated,
Of the guys I know they hated,
Cause they would give anything to be with you.
So I don't blame no games,
Cause there's no
No need for lies because you are the truth.

I don't have control of this,
I think I'm liking it,
Cause the feeling is so addictive to me.
Send me a flame with a single kiss
I can't get over it,
Cause I think I'm falling with the winner.

Chorus: (x2)
You're a winner, you're a winner,
I'm focused on you,

Want you to give me more.
I just wanna€!
Cause you can get, you can get it,
I'll show you things you never seen before,
I think I can€!
You're a winner!
You're a winner!
You're a winner!
You're a winner, you're a winner,
I'm focused on you,
Want you to give me more.
I just wanna€!
Cause you can get, you can get it,
I'll show you things you never seen before,
I think I can€!
You're a winner!
You're a winner!
You're a winner!
