October 2nd the worst of day
The angel sick my lay
And I can't deny she lift me up
Higher than before
I understand this simple truth
There ain't no me without you, yeah, yeah, yeah
And when I'm down, you're always there
A million ways to make this clear, whoa, whoa

I pray for everyday, how good it feels to say, yeah
I'm nothing without you, yeah
You made it possible
And because of this I know, yeah
I'm nothing, I'm nothing, without you,
You, you, yeah

Four years ago, my life forever changed
The day you came into my life
It will never be the same
You gave me something to live for
Cause I just couldn't want no more
And I'm back at you now
When I'm down, you're always there
A million ways to make it clear

I pray for every day, how good it feels to say, yeah
I'm nothing without you, yeah
You made it possible
And because of this I know, yeah
I'm nothing, I'm nothing, without you,
You, you, yeah

Whoa, I'll never forget, how much we've had
And all the good times we were there each dawn
I will always remember to perfect to forgive you
In my mind every day, every day, every day,
So now these words are just for you
An angel was made, ----
Wanna show you

I pray for every day, how good it feels to say, yeah

I'm nothing without you, yeah
You made it possible
And because of this I know, yeah
I'm nothing, I'm nothing, without you,
You, you, yeah, whoa, whoa, you, oh, whoa, whoa oh,
yeah
Nothing without you, yeah, yeah, yeah
I'm nothing without you, yeah, yeah, whoa.
