You got me breathless.  
You got me breathless, breathless,  
Whenever I'm with you.

It feels like I'm under water,  
To air it's getting harder,  
Drowning, and sinking,  
So deep in your love and I'm thinking,  
How will I survive if I can't breath,  
I would exchange you into my blood stream,  
Now my hearts pumping pumping.  
I need some Oxygen.

Girl you take my breath away,  
Baby I can not breath,  
I'm suffocating slowly.  
Girl you take my breath away,  
Take my breath away,  
Take my breath away.

It feels like on a spaceship with one room,  
Apollo 143 if you are the moon  
I'm the earth's refugee.  
And when I land I will stand  
With a flag in my hand,  
That represents a love brand new.

Girl you take my breath away,  
Baby I can not breath,  
I'm suffocating slowly.  
Girl you take my breath away,  
Take my breath away,  
Take my breath away.

You got me breathless and I'll  
Only inhale if your mine,  
And now I'm drowning my lungs  
Have reached capacity,  
You got me drifting catching stars  
Beneth my feets.

Girl you take my breath away,

Baby I can not breath,  
I'm suffocating slowly.  
Girl you take my breath away,  
Take my breath away,  
Take my breath away.

Girl you take my breath away,  
Baby I can not breath,  
I'm suffocating slowly.  
Girl you take my breath away,  
Take my breath away,  
Take my breath away.
