You were my older brother's friend
The boy with white cheeks
I found myself longing for you
Although I had one obstacle

I chased you through a garden of thorns, but
What was always reflected in your eyes was my brother
When I first saw the two of you embracing in the
shadow of the door, it was beautiful
My heart skipped a beat

Narcisse Noir
I don't know a thing
It's just the day of a girl's first love
Narcisse Noir
Even now, it's sweet
I can hear your voice

One day, my brother left our home
And you never returned again
My mother lamented in her sorrow
And no light shone in our home

Until I become an adult, I won't understand what
happened
I'll go to the lake
Where you two sank down in sadness
I'll disobey God and accept the punishment for loving
People will whisper, but
I will just close my eyes

Narcisse Noir
In the vicinity of that lake
The narcissus are blooming
Narcisse Noir
Oh, am I really
Becoming so cynical?

Narcisse Noir
Since then, I have wondered
What sort of people cannot love?
Narcisse Noir

Even now, I do not change
I can still see your figure

Narcisse Noir
I don't know a thing
It's just the day of a girl's first love
Narcisse Noir
Even now, it's sweet
I can hear your voice
