Your cruel, device  
Your blood, like ice  
One look, could kill  
My pain, your thrill

I want to love you, but I better not touch (Don't touch)  
I want to hold you but my senses tell me to stop  
I want to kiss you but I want it too much (Too much)  
I want to taste you but your lips are venomous poison  
You're poison runnin' thru my veins  
You're poison, I don't want to break these chains

Your mouth, so hot  
Your web, I'm caught  
Your skin, so wet  
Black lace on sweat

I hear you calling and it's needles and pins (And pins)  
I want to hurt you just to hear you screaming my name  
Don't want to touch you but you're under my skin (Deep in)  
I want to kiss you but your lips are venomous poison  
You're poison runnin 'thru my veins  
You're poison, I don't want to break these chains  
Poison...

[Short Guitar Solo]

One look, could kill  
My pain, your thrill

I want to love you, but I better not touch (Don't touch)  
I want to hold you but my senses tell me to stop  
I want to kiss you but I want it too much (Too much)  
I want to taste you but your lips are venomous poison  
You're poison runnin' thru my veins  
You're poison, I don't want to break these chains  
Poison...

I want to love you, but I better not touch (Don't touch)  
I want to hold you but my senses tell me to stop  
I want to kiss you but I want it too much (Too much)

I want to taste you but your lips are venomous poison,  
yeah  
I don't want to break these chains Poison, oh no  
Runnin'deep inside my veins, Burnin' deep inside my  
veins  
It's poison I don't want to break these chains
