I get these killer headaches
I get one everyday
I wake up with a migraine
Since you ran away

I got a load of tension
Burnin' up my neck
Something is wrong with my suspension
So pass those tablets to this wreck

Aspirin damage, Aspirin damage
Kills the pain, destroys the brain
No one told me about Aspirin damage
Sometimes I find myself shakin'
From the medication taken, oh yeah

I balance my Excedrin
And Anacin's in stacks
I'm a pain reliever junkie
I got a Bayer on my back

I went to see the doctor
He walked me down the hall
Said, "Strip down 'til you're naked
Your suit, your tie and all"

Aspirin damage, Aspirin damage
Kills the pain, destroys the brain
Aspirin damage, my disadvantage
Sometimes I find myself shakin'
From the medication taken, oh yeah

Aspirin damage, Aspirin damage
Kills the pain, destroys the brain
No one told me about Aspirin damage
Sometimes I find myself shakin'
From the medication taken, oh yeah

Aspirin damage, Aspirin damage
Kills the pain, destroys the brain
No one told me about Aspirin damage
Sometimes I find myself shakin'

From the medication taken, oh yeah
