Mommy where's daddy?

He's been gone for so long.
Do you think he'll ever come home?

I was gone for fourteen days
I coulda been gone for more
Held up in the intensive care ward
lyin on the floor

I was gone for all those days
but I, was not all alone
I made friends with a lot of people
in the danger zone

See my lonely life unfold
I see it every day
See my only mind explode
Since I've gone away

I think I lost some weight there
and I---I'm sure I need some rest
Sleepin don't come very easy
in a straight white vest

Should like to see that little children
She's only four years old---old
I'd give her back all of her play things
even, even the ones I stole

See my lonely life unfold
I see it everyday
See my lonely mind explode
when I've gone insane

I wanna get out of here
I wanna, I wanna get out of here
I gotta get out of here

I gotta get out of here
I gottagetoutahereI gottagetoutahereI gottagetoutahere
Ya gotta let me out of here

Let me outta here
I gotta get outta here
Let me outta here
I gotta get outta here
Let me outta here
I gotta get outta here

See my lonely life unfold
I see it everyday
See my only mind explode
Blow up in my face

I grabbed my hat and I got my coat
and I, I ran into the street
I saw a man that was choking there

I guess he couldn't breathe
Said to myself this is very strange
I'm glad it wasn't me
But now I hear those sirens callin'
and so I am not free

I DIDN'T WANNA BE
I DIDN'T WANNA BE
I DIDN'T WANNA BE
(See my lonely life unfold)
I DIDN'T WANNA BE
(I see it every day)
LEAVE ME ALONE I DIDN'T WANNA BE
DON'T TOUCH ME!!!!
See my lonely mind explode
when I've gone INSAAAAAAAAAAAAAAAAANNNNNNNE!
