Beautiful flyaway  
Somewhere like Holy Days  
Wonder what brought me back to earth  
Haven't I always been here  
Let's have another meal dear  
Later I think I'll disappear into the bishop's hall  
And take a look at what we offer  
DDT poisoning me changing my relativity  
What's it going to be

Da da da da d-da  
Later I think I'll disappear into another room  
And take a look inside the till  
Lovely days, human race journeys that take us to the  
end  
Aah...

Haven't we always been here  
Sharing one love and one fear  
Some day you'll know that life is really, really all about  
you  
So come and look inside  
You'll be surprised to find  
Later I think I'll disappear into another womb  
And take a look inside the mens' room  
Haven't I given you everything that I could give  
Where do you live  
Aah...

[Tom Smothers]  
You are the only censor.  
If you don't like what I say, you have a  
Choice. You can turn me off..

(chainsaw sound)

[Tom Smothers]  
If you don't like what I say, you have a choice.  
You can turn me off..

Well I've written home to mother  
The ink ran from my tear

I said "Momma, mamma please  
Tell me why you brought me here"
