Hey, hey, hey, hey
I guess I'm a loner, I don't fit in, no
I ain't too comfortable in my skin, oh
And I don't play well with the others

I'm stuck somewhere
Between high school & old school
I can't decide between my rules and your rules

Hey, hey, hey, hey
Nobody wants me hanging 'round
Unless it's from a tree in the middle of town
And I'm out of step with the others

I'm stuck somewhere
Between high school & old school
I can't decide between my rules and your rules

I'm stuck somewhere
Between high school & old school
So I defy maybe all rules, maybe no rules

My clothes don't make me, my hair ain't cut right
And I don't care much, no I don't care at all
I guess my brain is out of sync, I think

I'm stuck somewhere
Between high school & old school
I can't decide between my rules and your rules

I'm stuck somewhere
Between high school & old school
I can't decide, I just can't decide

Hey, hey, hey
Hey, hey, hey
Hey, hey
