Hey Hey
Hey Hey
I guess I'm a loner and I don't fit in (No...)
I ain't too comfortable in my skin (oh...)
An' I don't play well with the others

I'm stuck somewhere between high school and old
school
I can't decide between my rules and your rules

Hey Hey
Hey Hey
Nobody wants me hanging round
Unless it's from a tree in the middle of town
And I'm out of step with the others

I'm stuck somewhere between high school and old
school
I can't decide between my rules and your rules
I'm stuck somewhere between high school and old
school
So I defy maybe all rules maybe no rules

My clothes don't make me
My hair ain't cut right
And I don't care much
No I don't care at all

I guess my brain is out of synch, I think
I'm stuck somewhere between high school and old
school
I can't decide between my rules and your rules
I'm stuck somewhere between high school and old
school
I can't decide, I just can't decide

Hey hey hey
Hey hey hey
Hey hey hey
Aw...
