B o d y

Touched by the toil and plunged into his arm  
Cursed thru the night thru eyes of alarm  
A melody black flowed out of my breath  
Searching for death, but bodies need rest

B o d y

Under the soil now waiting for worms  
All that I feared is all that I've learned  
All that I know is all that I think  
Dead feelings are cool, down lower I sink, ah-hah

Bodies need rest, we all need our rest  
Sleep an easy sleep ---rest---rest

Bodies need their rest  
We all need our rest  
Sleep an easy sleep ---rest---rest---rest---rest  
But come back in the morning  
Come back hard

Clutching and biting my soul has caught on fire  
My evil is now and I'm caught up in desire  
Ev'rything I'm living for is all that I am  
Liking it and loving it that's all in the plan
