I gotta stay awake
I just can't sleep
Because i know inside if i close my eyes
It will be the death of me

Because i fear the night
When the darkness creeps
That's when the shadows thrive
That's when i must survive
'cause every night they come for me

I'm shaking in the ice cold shower
I been for here for about a week
But if i leave i could doze for hours
And that will surely be the end of a coward like me

Caffeine! caffeine!
Amphetamine
A little speed is all i need
Caffeine! caffeine!
Woo woo woo

I won't sleep at night
I won't rest my head
Because i realise if i shut my eyes i'm gonna wake up
dead
I'm in a desperate way
I'm very near the end
And all i know's a triple shot of joe is my only friend

I'm shaking in the ice cold shower
I been for here for about a week
But if i leave i could doze for hours
And that will surely be the end of a coward like me

Caffeine! caffeine!
Amphetamine
A little speed is all i need
Caffeine! caffeine!
Woo woo woo
Woo woo woo

Caffeine! caffeine!
Amphetamine
A little speed is all i need
Caffeine! caffeine!

Caffeine! caffeine!
Amphetamine
A little speed is all i need
Caffeine! caffeine!

Gimme gimme gimme gimme gimme etc
Ohhhhh...
