I've been around watching little late shows
Drink a lot of beer
Like playing cards with my friends

Call it evil
Call it pain
It goes knock, knock, knock-knock-knock-knock, on my door
It goes knock, knock, knock-knock-knock-knock, on my door

That rock and rock, yeah, call it evil
That rock and rock, yeah, call it evil

Knock, knock, knock, knock, knock, knock, on my door, Yeah!
Knock, knock, knock, knock, knock, knock, on my door
Going to get as my babe.
It goes knock, knock, knock, knock, knock, knock, on my door

Playing sopwith in the back of my head
What you trying to be crazy?
People look at me, they look at me, but you're dead

Call it evil
Call it pain
It goes knock, knock, knock-knock-knock-knock, on my door
It goes knock, knock, knock-knock-knock-knock, come on
Knock-knock-knock-knock, one more
Knock-knock-knock-knock

That rock and rock, yeah, call it evil
That rock and rock, yeah, call it evil

Knock, knock, knock, knock, knock, knock, on my door
Knock, knock, knock, knock, knock, knock, on my door
Knock, knock, knock, knock, knock, knock, on my door
Knock, knock, knock, knock, knock, knock, on my door
