She was not the first
And he won't be my last
My hunger and my thirst
My brilliant future
And my ugly past
They'll all be here with me
'Till my web is spun
My blessing and my curse
There'll be no rest
Until my work is done

Catch me, catch me if you can
Catch me, catch me when you can
I can't control myself

You won't have a clue
Of what is coming next
What I'm gonna do
Surely classical in it's effect
Which limb will I choose
Which one gets sawn in half
Which leg would you lose
To an arachnophobic psychopath

Catch me, catch me if you can
I wrestled with the devil
And I'd do it again
Catch me, catch me when you can
I can't control myself
Catch me, catch me if you can
I'm scheming with the demons
And I'd do it again
Catch me, catch me when you can
I can't control myself
I can't control myself

Catch me, catch me if you can
Catch me, catch me when you can
Catch me, catch me if you can
I'm scheming with the demons
And I'd do it again
Catch me, catch me when you can

I can't control myself
I just can't control myself
I'm scheming with the demons
And I'd do it again
I wrestled with the devil
And I'd do it again
I'm scheming with the demons
And I'd do it again
