Well I'm runnin through the world
with a gun in my back
tryin' to catch a ride in a Cadillac
Thought that I was livin'
but you can't really tell
been tryin' to catch a whiff
of that success smell

I need a houseboat
I need a plane
I need a butler
and a trip to Spain
I need everything
the world owes me
I tell that to myself
and I agree

I'm caught in a dream
So what!
You don't know what I'm goin' through
I'm right in between
So I'll
I'll just play along with you

Well I'm runnin' through the world

with a gun in my back
tryin' to catch a ride in that Cadillac
thought that I was livin'
but you can't never tell
what I thought was heaven
turned out to be hell

Whoa-o-oh
When you see me with a smile on my face
Whoa-o-oh
Then you'll know I'm a mental case

Whoa-o-oh Oh
Whoa-o-oh Oh
Whoa-o-oh

I'm caught in a dream
So what!
I don't know what I'm going through
I'm right in between
So I'll
I'll just play along with you

Whoa-o-oh OhÂ...Whoa-o-ohÂ...
