I'm gonna sign my name
to full confession
It seems the woman I loved last night
belongs to another man
They like to take you home
they like to purr and tease you
but I'm a passionate man
and I couldn't leave her alone

Cause you are damned if you do
damned if you don't
damned if you will
damned if you won't

Sometimes they look so good
but don't you let'em deceive ya

Cause then you find out that they got
some kind of a venomous mind
And the thing that's worse
is that it all seems worth it

I'm still a passionate man
and she wouldn't leave me alone

If you think that being a stud is easy
well, now don't ask me, boys
I wouldn't know
I'm a little slow
And you are damned if you do
and damned if you don't
you are damned if you will
and your damned if you won't

If you think that being a stud is easy
well, now don't ask me, boys
I wouldn't know
I'm a little slow
Gonna sign my name
to full confession
It seems the woman I loved last night
belongs to another man

They like to take you home
they like to purr and tease you
and I'm a passionate man
and I couldn't leave her alone

Cause you are damned if you do
damned if you don't
damned if you will
damned if you won't

damned if you do
damned if you don't
damned if you will
damned if you won't

I'll be damned
