I'm a gambler  
And I'm a runner  
But you knew that  
When you lay down

I'm a picture  
Of ugly stories  
I'm a killer  
And I'm a clown

Step into the street by sundown  
Step into your last goodbye  
You're a target just by living  
Twenty dollars will make you die

I wear lace  
And I wear black leather  
My hands are lightning up  
On my gun

My shots are clean  
And my, my shots are final

My shots are deadly  
And when it's done

You're as stiff as my smoking barrel  
You're as dead as a desert night  
You're a notch  
And I'm a legend  
You're at peace  
And I must hide

Tell where the hell I'm going  
Let my bones fall in the dust  
Can't you hear that ghost that's calling  
As my Colt begins to rust  
In the dust

I'm a killer  
I'm a clown  
I'm a priest

That's gone to town
