Well, I wake up burnin' in a soaking sweat
My pillows are drippin' and the sheets are wet
I jump out of bed and I turn on the light
This happens to me every night
Sometimes you turn into a snake with long black hair
Then you change into an angel, blonde and fair
You can turn yourself blue and I don't care
You change your look, you can change your race
But it's always your touch and always your face

Dirty dreams
How you wanna do me?
Dirty dreams
Let me get through
Dirty dreams
Ultra sense erotic movie starring me and you

Well, I close my eyes and you open your lips
There's a shock from my head to my fingertips
I fall through a hole 'cause I can't get a grip
The room starts to spin and the world starts to turn
My heart catches fire and my bed starts to burn

Dirty dreams
How you wanna do me?
Dirty dreams
Anything for you, babe
Dirty dreams
The realistigated movie starring me and you
Make my dreams come true

Shake my nights
You rattle my sleep
Roll my eyes, I'm in too deep

Dirty dreams
How you wanna do me?
Dirty dreams
Let me get through
Dirty dreams
An uncensored movie
Dirty dreams

Ohh
Dirty dreams
You really get to me
Dirty dreams
And it's meant for you
Dirty dreams
A triple x-rated movie starring me and you
Dirty, dirty, dirty
You want to be ashamed of yourself
