Oh, four years long
And oh, what a sigh to hear, my dear

Four long years
Now we stop to hear a whisper
(Alice Cooper)

All of the time, we have
All of the time, we have you

All of the time, we have
All of the time, we have

We are throwing all of our hands so high, you out there
Singing lovely ditties beautiful songs for you to be
aware

All of the time, we have
All of the time, we have you

All of the time, we have
All of the time, we have
All of the time, we have you

You're the one you're looking for, let me in, let me in
Who's there, who's there, who's there
