A tree has grown on the spot Where her body did rest Blood seeped into the soil From the knife in her chest

The bugs serve time In her skeletal jail I wonder how the bugs Remember Gail

What a lovely young girl Everybody would say You can still hear her laugh In the shadows on a cold winter's day

A dog dug up a bone And wagged it's tail I wonder how the dog **Remembers Gail** 

The bugs serve time In her skeletal jail I wonder how then I'll Remember Gail
