Don't know why I'm down here  
Must be something I said  
Or some small imperfection  
In my soul or in my head  
Don't know why I'm down here  
Don't reserve to roast or bake  
I'm fighting off slanderous allegations  
Why don't you give the kid a break?  
Don't you think maybe we could talk this over?  
You're a reasonable man  
Could we discuss my grave situation?  
I'm a miserable man, and I'm in the frying pan

Give the kid a break

"Give me one good reason why I should."

Give the kid a break

All right, all right, so I made a few mistakes  
But listen, for heaven's sake!

"Watch your language, Kid."

OK, OK, don't get hot

"Don't question my judgement  
He only reaped what he sowed  
He cast his pearls before swine  
And that's good enough for me  
I don't want to talk it over  
Even tho' I'm a reasonable man  
Sonny, from over here  
Looks like you're in no position to bargain

You're a convicted man  
You're right in the frying pan"

Give the kid a break

Please give me a break

Give the kid a break

"Nah ah, I don't think so, man"

Come on, you know I got what it takes  
Can't you give me a break?

"Sure thing kid, when hell freezes over"

Ok, don't give the kid a break

Hey you guys, I thought you were on my side

Don't give the kid a break

Yeah, well thanks a lot, pals!  
Listen boss, maybe we can make a little deal  
Isn't there anything I can say?  
Or some kind of fine I can pay?  
Anything?  
Don't know why I'm down here  
Must be something I said and I'm sorry  
Or some small imperfection  
In my soul or in my head  
It might be a small imperfection  
It might be an infection or a clear case of misdirection,  
yeah  
It must be a small imperfection  
In my soul or in my head  
Give the kid a break
