Just tried to have fun  
Raised Hell and then store  
I'm a dirt talking , beer drinking woman chasing  
minister's son  
Slap on the make-up  
And blast out the music  
Wake up the neighbors with a roar like a teenage  
heavy metal elephant gun  
If you call that guilty then that's what I am  
I'm guilty  
I'm guilty  
Like driving too fast  
Love going too far  
It seems the law's on my ass everytime I stick it out of  
the door  
If you call that guilty then that's what I am  
I'm guilty  
I'm guilty  
Bad boy on a summer night  
When the hear makes me mean and I want to fight  
With me pedal on the metal  
And I do what I want to do  
Bad girls make me feel all right

When it's hot and they start screaming in the night  
Golly gee, it's wrong be so guilty  
I'm guilty  
Guilty  
I'm guilty  
My conscience is on vacation in acute degeneration  
Willpower has sunk to an all-time low  
If you call that guilty well I guess I am  
I'm guilty  
I'm guilty  
If you call this guilty then that's what I am  
I'm guilty, I'm guilty, I'm guilty, I'm guilty  
I'm guilty, I'm guilty, I'm guilty, I'm guilty  
Well, I'm guilty  
Yeah, I'm guilty  
I don't care  
I'm guilty  
I think I have been framed anyway

They said I'm guilty  
I'm guilty  
They're guilty and everyone is guilty
