You're with your baby
And you're parked alone
On a summer night
You're deep in love
But you're deeper in the woods
You think you're doin' alright

You heard a voice
Did you see that face
Or was it just a dream
It can't be real
That only happens, babe
On the movie screen

If you see him comin'
Get away if you can
He's a dangerous man
Throws a dangerous party man

He's back
The man behind the mask
And he's out of control
He's back
The man behind the mask
He crawled out of his hole
Just to rock and roll

He's going out tonight
Going to make his rounds to get his fill
Standing staight and tall
He's a ton of fun
And he's dressed to kill

You know you read he was gone
It surely is him
But he's back on the prowl
Again and again and again

Don't you know
He's back
The man behind the mask
And he's out of control

He's back
The man behind the mask
He crawled out of his hole
Just to rock and roll

You know you read he was gone
It surely is him
But he's back on the prowl
Again and again and again

He's back
The man behind the mask
And he's out of control
He's back
The man behind the mask
He crawled out of his hole
Just to rock and roll

He's back
The man behind the mask
And he's out of control
He's back
The man behind the mask
He crawled out of his hole
Just to rock and roll

He's back
The man behind the mask
And he's out of control
He's back
The man behind the mask
He crawled out of his hole
Just to rock and roll

He's back
