Hey Hey
Hey Hey
I guess I'm a loner and I don't fit in (No...)
I ain't too comfortable in my skin (No...)
An' I don't play well with the others
I'm stuck somewhere between high school and old
school
I can't decide between my rules and your rules
Hey Hey
Hey Hey
Nobody wants me hanging round
Unless it's from a tree in the middle of town
And I'm out of step with the others
I'm stuck somewhere between high school and old
school
I can't decide between my rules and your rules
I'm stuck somewhere between high school and old
school
So I defy maybe all rules maybe no rules
My clothes don't make me
My hair ain't cut right
And I don't care much
No I don't care at all
I guess my brain is out of synch, I think
I'm stuck somewhere between high school and old
school
I can't decide between my rules and your rules
I'm stuck somewhere between high school and old
school
I can't decide, I just can't decide
Hey hey hey
hey hey hey
hey hey hey
Aw...
