House of fire
House of fire, yeah

Let's build a house of fire, baby
Not one of wood or stone
Walk through my door of desire, baby
Come on in and make it your home

Don't need a window to watch you, baby
Don't need no roof overhead
Don't need no key to unlock you, baby
I'll use my lovin' instead

I won't tire
Take me higher
Building a house of fire, baby
Buildin' it with our love
We are buildin'a house of fire every time we touch
House of fire
House of fire

We ain't gotta pay rent now, baby
No landlord to throw us out
I want to play in your garden, baby
When you want it give me a shout

I won't tire
Take me higher
Building a house of fire, baby
Buildin' it with our love
We are building a house of fire every time we touch
We are building this house together, baby
Standing on solid ground
We are building a house of fire
That you can't tear down

Brick by brick the flames get higher
Build it strong with our desire
Building a house of fire, baby
Building it with our love
We are building a house of fire every time we touch,
baby

We are building this house together, baby
Standing on solid ground
We are building a house of fire
That you can't tear down

Building a house of fire, baby
Building it with our love
We are building a house of fire every time we touch
We are building this house together, baby
Standing on solid ground
We are building a house of fire
That you can't tear down
