In the beginning
I was just a shadow
In the beginning
I was alone
In the beginning
I was blind
Living in a world devoid of light
In the beginning
There was only night

I was shattered
Left in pieces
And I found some cold inside
Then I called you
From the darkness
Where I hide

I am made of you
I am made of you
I am made of you
I am made of you

In the beginning
You were revelation

Or ever a salvation
And now I believe

All I wanted all I needed
Was someone to rescue me
I was drowning I was dying
Now I'm free

I am made of you
I am made of you
I am made of you
I am made of you

Here I am now
I can stand now
Cause your love has made me strong
And forever

you're the singer
I'm the song

I am made of you
I am made of you
I am made of you
I am made of you
