My tape recorder  
It must be lyin'  
'Cause this I just can't believe  
I hear a voice that's cryin'  
That's not me

Wheel goes round  
I hear a sound  
It's comin' out all wrong  
And I swear to you  
I never wrote that song

I've been livin' in my own shell so long  
The only place I ever feel at home

And oh, that music  
I hate those lyrics  
It stayed inside me so long  
And I swear to you  
I never wrote that song

But pardon me  
I'm not lookin' for sympathy  
Not sympathy  
I'm just thinking out loud

The melody  
It goes nowhere pointlessly  
Silence please

I've been livin' in my own shell so long  
The only place I ever feel at home

And oh, that music  
I hate those lyrics  
It stayed inside me so long  
And I swear to you  
I never
