I've got more to lose  
More to lose than you  
'Cause I'm the only one in love  
Between us two

I know that I've been struck  
By lightning from above  
'Cause I've been killed by love

I got a longer fall  
A longer fall to take  
'Cause I'm a bigger fool  
With a bigger heart to break

You pushed me way to far  
A push became a shove  
And I was killed by love

Drop me off in a crowded lonely city  
Everybody there was crying  
Drop me off in a town without pity  
And let me be the one that's dying

Killed by love  
Killed by love  
Killed by love  
Oh bye, bye, love

Killed by love  
Killed by love  
Killed by love  
Killed by love

Killed by love  
Killed by love  
Oh, bye, bye, love  
Oh, bye, bye

Killed by love, oh yeah  
Killed by love  
I'm thinking fast, baby  
Killed by love

You know  
You're killing me, baby  
Baby, baby  
Oh bye, bye, love
