I find myself running in circles
Lost and half insane
And I need a cure sometimes
To knock out the pain

So I yell out for some kind of angel
To come down and rescue me
Be as soft as you can
Put a drink in my hand
I'm as scared as I ever could be

Gimme lace and whiskey
Mamas home remedy
Double indemnity
Fills me with ecstasy
La-aa-ace and whiskey

Lots of things I really want here
Lots of things I really need
There's an animal soul inside
That I've gotta feed
My hot mamas feminine body
Always gets a rise from me
She's so soft in my hands
I give her all she can stand
Make a full fledged man outta me

Gimme lace and whiskey
Mamas home remedy
Double indemnity
Fills me with ecstasy

La-aa-ace and whiskey
La-aa-ace and whiskey

I ain't hard assed
So babe don't make me mean
I want a hot place
To go and show you things

Gimme lace and whiskey
Mamas home remedy

Double indemnity
Fills me with ecstasy
La-aa-ace and whiskey

I'll end up a broken old hobo
With red and yellow eyes
Swear' and drunk and dying
But no ones surprised
That's a long long way from today babe
As far as I can see
So shake off your shoes
Go and get me my booze
Lay your love and your laces on me

Gimme lace and whiskey
Mamas home remedy
Double indemnity
Fills me with ecstasy
La-aa-ace and whiskey
La-aa-ace and whiskey
La-aa-ace and whiskey
La-aa-ace and whiskey
