I was the boy who said all of my prayers
Laid my clean face on the pillow
Tucked in real tight, so safe and secure
Through the night

I heard a noise, it was probably nothing
It pulled me right out of a dream
If I knew it was you
I'd have jumped out of bed with a scream

I am the one who growls in your closet
I am the one who lives under your bed

Get down, back where you started
Get down, back into hell
Your black soul, you know you're black hearted
I smell your sulfurous smell

All of my things that I play with in daylight
You turn into monsters at night
My toys were my friends
Until you taught them all how to bite

You showed me things little boys shouldn't see
You scared me with visions of fire
You danced on my bed
With the flames on your head dancing higher

I am the one who growls in your closet
I am the one who lives under your bed

Get down, back where you started
Get down, back into hell
Your black soul, you know you're black hearted
I smell your sulfurous smell

I tell you right now
I don't want your reptile embrace
I don't want to follow you down to your place
I don't want to be a child of disgrace, oh

You can take your whiskey soaked

Foaming at the mouth, toilet talking
Pea soup spewing, sweating blood demon breath
Out of my face

Get down, back where you started
Get down, back into hell
Your black soul, you know you're black hearted
I smell that brim stone

Get down, back where you started
Get down, back into hell
Your black soul, you know you're black hearted
I smell that sulfur

I was the boy who said all of my prayers
Laid my clean face on the pillow
Tucked in real tight, so safe and secure
Through the night
